

The ERS Data System requires a tablet that meets the following requirements:

| Component | Recommended |
|------------------|-----------------------------------------------|
| Memory | 8 GB or higher |
| Operating System | Windows 11 64-bit with Windows Ink |
| Processor | Intel (Snapdragon not supported at this time) |
| Hard Disk | 128 GB or larger |
| Pen | Digitizer/Active pen/S pen |
| Weight | 4.00 lbs or less |

NOTE: ERS Data System DOES NOT run on Android, Apple, or Windows 10 S Mode platforms. Windows 10 32-bit operating systems are NOT supported.

Our tech support staff would be happy to take a look at the tablet you are considering. You can email (erssupport@branaghgroup.com) a link to the tablet specs and we will let you know if it meets the requirements.
